

# W.A.S.P., Heaven's Hung In Black

I can't take anymore  
I have no more wings  
I can't take anymore  
The gates of heaven sealed

Don't you hear me  
Don't you hear me  
Don't you fear me  
Of never coming back  
Do you know what it's like  
When heaven's hung in black

I can't take anymore  
Our walls are black and bleed  
I can't take anymore  
No rooms here for your screams

Don't you hear me  
Don't you hear me  
Don't you fear me  
Of never coming back  
Oh, no more tears please  
Hanging heaven black

No don't you leave me to die  
Don't you leave me to die  
Don't you leave me to die  
No don't you leave me to die

And you'll know what it's like  
The wailing wall of sighs  
Hanging heaven black  
And you'll know what it's like  
When paradise is blind  
When heaven's hung in black

Time How can you say  
That I've no time  
Am I blind now you say that  
Heaven's blind, yeah  
Across the bridge of sighs, blind, time, time

Oh lord, don't you leave me to die  
No, don't you leave me to die  
Don't you leave me to die  
No lord, don't you leave me to die

And you'll know what it's like  
The wailing wall of sighs  
Hanging heaven black  
And you'll know what it's like  
When paradise is blind  
Painting heaven black  
Across the bridge of sighs  
Your losing heaven's light  
Heavens hung in black
