W.A.S.P., Kill fuck die

All my friends are hellions

They got nine toes in their graves

We all live to thrill ourselves

But got twice the will to die

Oh yeah

Ya wanna live

Wanna die

Wanna cry

An angry noise

Ya wanna kill

Ya wanna thrill

Ya wanna yell

An angry noise

Kill, Fuck, Die

All ya get from life's

Kill, Fuck, Die

Yeah you're gonna die

Kill, Fuck, Die

All ya get from life's

Kill, Fuck, Die

No ya won't take it

No ya can't take it

No ya won't take the pain from me

No ya won't take it

No ya can't take it

No ya won't take the pain away from me

I am pissed and violent

Someday you'll understand

I'm living to thrill myself like

The animal I know I am

Ya wanna live

Wanna die

Wanna cry

An angry noise

Ya wanna kill

Ya wanna thrill

Ya wanna yell

An angry noise

Kill, Fuck, Die

All ya get from life's

Kill, Fuck, Die

Yeah you're gonna die

Kill, Fuck, Die

All ya get from life's

Kill, Fuck, Die

No ya won't take it

No ya can't take it

No ya won't take the pain from me

No ya won't take it

No ya can't take it

No ya won't take the pain away from me

You're gonna kneel before ya die

You're gonna kneel to crucify

You're gonna, gonna kneel before you die

You're gonna kneel to crucify

Ya wanna live

Wanna die

Wanna cry

An angry noise

Ya wanna kill

Ya wanna thrill

Ya wanna yell An angry noise

Kill, Fuck, Die

All ya get from life's
Kill, Fuck, Die
Yeah you're gonna die
Kill, Fuck, Die
All ya get from life's
Kill, Fuck, Die
No ya won't take it
No ya can't take it
No ya won't take the pain from me
No ya won't take it
No ya can't take it
No ya can't take it
No ya won't take it
