

W.A.S.P., Saturday Night Cockfight

Alright, all of you bloody bastards
Better hold tight
Oh yeah
It's Saturday night
Cockfighting rumbles
Going all night, alright
Tonight

Oh yeah it's cockfighting saturday
And I say Oh say Oh
All right, I'm gonna fuck or fight
It's my way, it's alright tonight

Oh it's saturday night
Oh I'm getting high and I say
Alright so high
At midnight
I'm out for blood and I say
Oh yeah, it's alright tonight

Give me your life
I'll give you mine
Oh a rumbles on tonight
It's do or die
An eye for an eye
Oh it's alright tonight
