

# W.A.S.P., The Idol

Will I be alone this morning  
Will I need my friends?  
Something just to ease away my pain  
No one ever sees the loneliness behind my face  
I am just a prisoner to my fame

If I could only stand  
And stare in the mirror  
What could I see?  
One fallen hero with a face  
Like me  
And if I scream would anybody hear me  
If I smash the silence, you'll see what fame  
Has done to me

Kiss away the pain and leave me lonely  
I'll never know if love's a lie, ooh  
Being crazy in paradise is easy  
Do you see the prisoners in my eyes?

Where is the love to shelter me?  
Give me love, love, love come set me free  
Where is the love to shelter me?  
Only love, love, love, love set me free  
Set me free
