

# W.A.S.P., The Running Man

(Judah to Jesse)

You'll be so far out of control  
You know, the ones you saved

(Jesse to Judah)

Look in my eye cause somehow you  
You don't realize what I made

(Judah to Jesse)

You can't run away from me  
Don't deny your blind believers  
And hide your Devil's keeper

(Jesse to Judah)

Take your love away from me  
Cause I will blind your heathen reason  
And ride us on your broken wings for love

(Judah to Jesse)

True we are disciples lost  
You know the promise you made  
Look in my eyes and tell me why  
You realize the price that you'll pay?

(Jesse)

# 9, # 9, # 9  
I'm still inside of  
The 9 asylums  
Am I Messiah?

(Judah to Jesse)

You're the only God they know

What are you running from  
Wasn't this enough  
Aren't you satisfied?  
They're all at your feet  
The Lord to sheep  
Oh, are you sanctified?
