

W.A.S.P., What I'll Never Find

(Billy to Jesse)

Time to go away
Down a road I cannot hide
Will I have no name
For destiny's I cannot find
Will I wander alone
Forever's lonely road of time
Am I looking for what
I'll never find

Did you call my name
I will be leaving from this dream
Can you feel the pain
Slowly leaving me
Will you hold my hand
And ease me to the other side
Am I looking for what
I'll never find

Can you hear me
Can you hear me in the night
Will you feel me
If you leave me will I cry?
Can you hear me
Can you feel me say goodbye
