

Waco Jesus, Blinded

Our f**king lives are meaningless every day every minute this world is just a gaping cunt wating to get f**ked go ahead and f**k it, cum up inside it I've seen the future we have no motherf**kin' future destroying myself, wasting away you f**king hate me, I wouldn't want it any other way subhuman sinner perverted loser degenerate all the motherf**kin' above I f**king refuse to let you shove more shit down my f**king throat f**k that shit I choose to destroy myself you can a go and f**k yourself Don't tell me, about the aftermath because I really don't give a shit Drug-lubricated pleasure is why I live what part of f**k it don't you understand what part of f**k you don't you understand self indulgence, is my addiction the need to f**k them and slit their throat wide open destroying myself, wasting away you f**king hate me I wouldn't want it any other way subhuman sinner perverted loser degenerate all the motherf**king above full blown motherf**king self- indulgence when it's all said and done none of this means shit, fear inspired by a f**king celibate hypocrite take your faith an fellowship and shove it right up your ass open your f**king eyes this is your wake up call your life is a f**king waste of time a f**king phenomenon our f**king lives are meaningless every day minute this world is just a gaping cunt waiting to get f**ked your life is meaningless it doesn't mean shit <i>(Repeat)</i>.
