

# Walk Off The Earth, Shape of You

The club isn't the best place to find a lover  
So the bar is where I go  
Me and my friends at the table doing shots drinking fast and then we talk slow  
you come over and start up a conversation with just me and trust me I'll give it a chance now  
Take my hand stop, put van the man on the jukebox and then we start to dance  
And now I'm singing like

Girl you know I want your love  
Your love was handmade for somebody like me  
Come on now follow my lead  
I may be crazy don't mind me  
Say boy let's not talk too much  
Grab on my waist and put that body on me  
Come on now follow my lead  
Come come on now follow my lead

I'm in love with the shape of you  
We push and pull like a magnet do  
Although my heart is falling too  
I'm in love with your body  
Last night you were in my room  
And now my bed sheets smell like you  
Every day discovering something brand new  
I'm in love with your body

Oh I X 4  
I'm in love with your body  
Oh I X 4  
I'm in love with your body  
Oh I X 4  
I'm in love with your body  
Every day discovering something brand new  
I'm in love with the shape of you

One week in we let the story begin  
We're going out on our first date  
You and me are thrifty  
So go all you can eat  
Fill up your bag and I fill up a plate  
We talk for hours and hours about the sweet and the sour  
And how your family's doing ok  
leave and get in a taxi, then kiss in the backseat  
Tell the driver make the radio play  
and I'm singing like

[TLC "No Scrubs"]  
I don't want no scrub  
A scrub is a guy that can't get no love from me  
Hanging out the passenger side  
Of his best friend's ride  
Trying to holler at boy  
let's not talk too much  
Grab on my waist and put that body on me  
Come on now follow my lead  
Come come on now follow my lead

Girl you know I want your love  
Your love was handmade for somebody like me  
Come on now follow my lead  
I may be crazy, don't mind me  
Say boy let's not talk too much  
Grab on my waist and put that body on me  
Come on now follow my lead  
Come come on now follow my lead

[BlackStreet "No Diggity"]  
I like the way you work it  
No diggy  
I got to bag it up  
Bag it up  
I like the way you work it  
No diggy  
I got to bag it up  
Bag it up
