

Wall Of Voodoo, Do It Again

It's automatic
when I talk to old friends,
the conversations
turn to girls we knew
when their hair
was soft and long.
And the beach
was the place to go.

The sun-tanned bodies
and the waves of sunshine
California girls
and the beautiful coastline...
The warmed up weather,
let's get together and

do it again.

Now I've been thinking
about all the places
we surfed and danced,
and all the faces
we missed so
let's get back together and
do it again.

With a girl the lonely beach
looks good at twilight
...Makes your nighttimes warm and outta sight...
