

# Walls Of Jericho, There's No I In Fuck You

Here i am a poster board pinup for you to hate,  
Someone who once cared now nothing is holding me back.  
I am no more an image of what you thought i should be,  
the choice you've made and forced upon me.  
So go on and hate me if you must, but honestly i don't give a fuck.  
With my friends by my side i can get through anything,  
With you on my side we can destroy everything.  
For those who continue to comare to this false idea,  
what do you expect from me,  
Sing a lullaby scream you to sleep, i'm fucking sick of it being your way.  
You don't love me, you love the person you think i am  
a poster board pinup for you to love.  
You don't hate me, you love the person you think i am  
a poster board pinup for you to hate.  
What you may see on the outside might not hold true to your heart, so here i am.  
The real deal take it or not, like i've said before i don't give a fuck.
