

Walls Of Jericho, With Devils Amongst Us all (2004)

Let's open this book one more time
Turn the page and bleed from the inside
The haunted secrets that we find
Are the final chapters to our lives

Here comes the overwhelming
Tragic fairytale that never seems to thrive
This is the unfortunate mess that never stood a chance

Someone silence her
Stich up, her wrists of wasted time
Put a bullet in her mind
Nail the casket for the final time

This is what I see staring back at me
Visible failures
We've made into a lovely disaster
Welcome this is your life

This is your life

Superhero who is searching (for this)
One true mary kaye smile
Reaching for his one true damsel
With cupid's arrow of poison desire
One to fuel his fire
Welcome this is your life

Like them we are much the same
With devils amongst us all
Welcome this is your life

This is your life
