

# Wally Lopez, You Can't Stop the Beat (ft. Jamie S

You always take your pretty face  
Everywhere that you go  
Make up hides that bitter taste  
Every time you say no

I just want to make you smile  
Over and over and over  
Could you stay here for a while?

You can't stop the beat  
You can't stop  
When my heart starts starts  
My heart starts the beat  
/4x  
Yeah, your reputation will be fine  
Why is it nobody knows  
That it isn't your first time?  
I know, I know, I know

I just want to make you smile  
Over and over and over  
Could you see it for a while?

You can't stop the beat  
You can't stop  
When my heart starts starts  
My heart starts the beat  
/4x

Why did you call me  
Again and again?  
Just to tell me you wanna be friends?

You can't stop the beat  
You can't stop  
When my heart starts starts  
My heart starts the beat  
/4x
