

Walter Egan, Surfin' & Drivin'

Yeah

500 miles to L.A.

500 miles to my home

When I get back to L.A.

Never again will I roam

Surfin' and drivin' are the only two things I know

Surfin' and drivin' are the only two things I know

Once had a girl into me

Thought she loved me true

Last night, I got a note she left me

Took my money, now we're through

Surfin' and drivin' are the only two things I know

Surfin' and drivin' are the only two things I know

I know!

500 miles to L.A.

500 miles to my home

When I get back to L.A.

Never again will I roam

Surfin' and drivin' are the only two things I know

Surfin' and drivin' are the only two things I know

I once tried love

But, like everything I do, it turned out wrong
