

# Walter Egan, Tunnel Of Love

Anytime you want me to do a little chore  
Don't you know I'm waiting down at your back door  
If you get a feeling that you think is fine  
And you know your wish would soon be mine

Tunnel of love, tunnel of love  
Ooh, baby...take me for a ride  
Tunnel of love, tunnel of love  
Ooh, mama...take me inside

Ooh, you're such a comfort...  
Ooh, you're such a thrill  
Ooh, the way you hold me  
When you say you will  
I'm like a volcano, ready to erupt  
Baby, when you treat me to your sweet, sweet stuff

Tunnel of love, tunnel of love  
Ooh, baby...take me for a ride

Tunnel of love, tunnel of love  
Ooh, mama...take me inside

Dancing down the street to the tune in my head  
Thinking of the nights spent in your warm bed  
I'm anticipating, watching time go by  
It's so stimulating, between your thighs

Tunnel of love, tunnel of love  
Ooh, baby...take me for a ride  
Tunnel of love, tunnel of love  
Ooh, mama...take me inside

Tunnel of love, tunnel of love  
Ooh, baby...take me for a ride  
Tunnel of love, tunnel of love  
Ooh, mama...take me inside
