

Waltham, Say It Again

So, I'm yours and I wish you'd be mine
Cuz I'm cursed and it's you on my mind
And I use sound to prove how I'm yours

Say it again
Say it again
You're mine
Say it again
Say it again
You're mine

On the phone you keep me on
When I want to let you know ʼbr Cuz there's a chance you'll be the one, yeah
Did I just hear you say you fell for me today
Cuz I use sound to prove how I'm yours

Say it again
Say it again
You're mine
Say it again
Say it again
You're mine

And I use sound to prove how I'm yours

And I use sound to prove how
And I use sound to prove how I'm yours

Say it again
Say it again
You're mine
Say it again
Say it again
You're mine
