Waltham, Say It Again

So, I'm yours and I wish you'd be mine Cuz I'm cursed and it's you on my mind And I use sound to prove how I'm yours

Say it again Say it again You're mine Say it again Say it again You're mine

On the phone you keep me on When I want to let you know 'br Cuz there's a chance you'll be the one, yeah Did I just hear you say you fell for me today Cuz I use sound to prove how I'm yours

Say it again Say it again You're mine Say it again Say it again You're mine

And I use sound to prove how I'm yours

And I use sound to prove how And I use sound to prove how I'm yours

Say it again Say it again You're mine Say it again Say it again You're mine
