

Wanda Jackson, Blues Stay Away From Me

Blues stay away from me blues why don't you let me be
Don't know why you keep on haunting me
Love was never meant for me true love was never meant for me
Seems somehow we never can agree

(guitar)

Life is full of misery dreams are like a memory bringing back your love that used to be
Tears so many I can't see years don't mean a thing to me
Time goes by and still I can't be free
