

Wanda Jackson, Don't Let Me Cross Over

(Don't let me cross over love's cheating line)

I'm tempted my darling to steal you away

Don't let me cross over stay out of my way

You know that I love you and I'm not the cheatin' kind

But I'm tasted with heartaches at love's cheating line

Don't let me cross over love's cheating line

You belong to another you'll never be mine

I know one step closer would be heaven divine

Don't let me cross over love's cheating line

I've tried to forget you but what else can I do

When your eyes keep saying that you love me too

I know if I lose you not a dream would I have left

I don't want to cheat dear but I can't help myself

Don't let me cross over...

Don't let me cross over love's cheating line
