

Wanda Jackson, I Need You Now

If I ever needed you I need you now I can't remember when I've ever been so blue
If I ever needed love I need it now I feel so all alone I don't know what to do
No day or night goes by that I don't have my cry
I feel like I could die from wanting you
I can ease my aching heart but you know how if I ever needed you I need you now
(ac.guitar)
If I ever needed love...
