

# Wanda Jackson, Just Between You And Me

(Just between you and me)

So I feel so blue sometime I want to die and so I've got a broken heart so what

They say that time will heal all wounds in mice and men

And I know someday I'll forget and love again

But just between you and me I've got my doubts about it

Just between you and me you're too much to forget

So I've lost the only one I ever loved and so I've never felt so low so what

I'll just tell myself each time I wanna cry

That someday time will dry the teardrops from my eyes

But just between you and me I'm not so sure about it

Cause just between you and me you're too much to forget you're too much to forget
