

Wanda Jackson, Let me go lover

Oh let me go let me go let me go lover let me be set me free from your spell
You made me weak cut me deep I can't sleep lover
I was cursed from the first day I fell
Oh you don't want me but you want me to go on wanting you
How I pray that you will say that we're through
Oh turn me loose what's the use let me go lover let me go let me go let me go
Oh you don't want me...
