

Wanda Jackson, Let's Say Goodbye Like We Said

Let's say goodbye like we said hello in a friendly kind of way
There's something wrong your love is gone I've no reason now to stay
We live and love we meet and part and broken hearts must pay
Let's say goodbye like we said hello in a friendly kind of way

Your love sweetheart I won't forget you're always on my mind
You're all the happiness I knew so thoughtful sweet and kind
For old time sake I'm asking you to think of me some day
And let's say goodbye like we said hello in a friendly kind of way
(guitar)

I wish you happiness sweetheart in everything you do
May good luck always come your way and every dream come true
I'll remember you and the love we knew our love of yesterday
So let's say goodbye like we said hello in a friendly kind of way
