

Wang Chung, Everybody Have Fun Tonight

(Wang Chung / Peter Wolf)

I'd drive a million miles
To be with you tonight
So if you're feeling low
Turn up your radio
The words we use are strong
They make reality
But now the music's on
Oh baby dance with me
Rip it up - move down
Rip it up - move it down to the ground
Rip it up - cool down
Rip it up - and get the feeling not the word

Chorus:

Oh everybody have fun tonight
Everybody have fun tonight
Everybody Wang Chung tonight
Everybody have fun tonight
Everybody Wang Chung tonight
Everybody have fun
Deep in the world tonight
Our hearts beat safe and sound
I'll hold you so close
Just let yourself go down
Rip it up - move down
Rip it up - move it down to the ground
Rip it up - cool down
Rip it up - get the feeling not the word

Repeat Chorus

On the edge of oblivion
All the world is Babylon
And all the love and everyone
A ship of fools sailing on
Across the nation, around the world
Everybody have fun tonight
A celebration so spread the word
Repeat Chorus
