

WarCry, El Regreso

Inundado en alcohol qu vio ella en t?
Cuentame qu te pas´, quin te hizo as
Arrancaste mi niez con el miedo y el dolor;
convertiste nuestro hogar en el mismo infierno.

Mientes tanto que no creo tu llanto
Hoy he vuelto s´lo a por t

Mrame bien, contemplars a alguien
que no has visto jams.
Cachorro ayer, hoy soy le´n;
ahora, la ley la marco yo.

Me obligaste a huir, ella se qued´.
S todo lo que ocurri´; ella me escribi´
Me mandaba sus ahorros, esos que pedas t.
Soaba con regresar, mandarte al infierno

Mientes tanto que no creo tu llanto
Hoy he vuelto s´lo a por t

Mrame bien, contemplars a alguien
que no has visto jams.
Cachorro ayer, hoy soy le´n;
ahora, la ley la marco yo.

□

Inundated in alcohol, what did she see in you?
Tell me what happened to you, whom you did do well to
You ripped out my childhood in fear and pain
You converted our home in the same hell.

You lie so much that I do not think of your tears
Today I have come back only for you

Look good, you will be referred to someone
that you have not ever seen.
I was a cub yesterday, now I am a lion
Now, the law is under me.

I was forced to flee, she stayed.
I know everything that happened, she wrote me
She sent me her savings, those that asked you.
I dreamed of returning, to send you to hell

You lie so much that I do not think of your tears
Today I have come back only for you

Look good, you will be referred to someone
that you have not ever seen.
I was a cub yesterday, now I am a lion
Now, the law is under me.
