## Warhead, I Swear

...with his last words in the death chamber he swears, he would never kill again...

I swear, I'd never fail again I swear, I'd never fail again I swear, I'd never fail again I swear, I'd never fail again

Well-devised from the start No matter what I learned Where's the hand that I could hold I never could return I'm buckled on this cross-like desk The whitnesses await I made my life a one-way street Pathetic lonely case
