

# Warlock, After The Bomb

&quot;Listen!&quot;

Mystic intro for the appearance of the leader of a sect.

&quot;The Other Side&quot;

Speech of the leader in front of his followers;

he demands they follow his orders and fight against their enemies.

&quot;Celebrate Your Loot&quot;

A song specifically against the catholic church

of the middle ages, asking them to celebrate

the riches of their loot - even nowadays.

&quot;Six Billion Reasons To Hate&quot;

Metal song about the apocalypse and today's bigotry.

&quot;Flashback Of A Poor Man&quot;

An organ doner who, in need of money, promises a doctor

to let him have his organs. He can't pay back the money

and is eviscerated while still alive.

&quot;Shut Your Mouth&quot;

More than just dissatisfaction with politics;

we ask the politicians to shut up. No more lies,

bigotry and corruption that they receive salaries

for, a normal person can't even imagine.

&quot;C17-X/05&quot;

Virus alert in a research lab.

&quot;Perfect / Infect&quot;

Sarcastic, apocalyptic lyrics similar to Mad Max.

&quot;Into the Light&quot;

Just like the light draws the butterfly, the woman

in this song is drawn to drugs which eventually kill her.

&quot;It's over now, you went straight into the light&quot;.

&quot;Scream&quot;

Scream: In a small community a girl is raped and killed.

A handicapped outsider, who everybody thinks is of unsound

mind, is being accused and lynched by the mob.

&quot;K.Y.N&quot;.

Don't take this as an invitation to go kill your neighbour!

A song about a man gone beserk, who, due to several strokes

of fate, starts killing his neighbours randomly and senselessly.

&quot;Behind My Eyes&quot;

A ballad about birth, life and death.

What is left of a child's enthusiasm once it has grown up?

What does one leave behind once one is dead?

Live your life to the fullest!.
