

Warpaint, New Song

You come along /2x
And wash away the rain
You're the Sun /2x
That leads me babe to where I belong
Where I come from
Because of you., I know where I belong

You're a new song
You're a new song baby
You're a new song to me
/2x

I was, I was, I wasn't wrong
To think, to tjhing that it was wrong for me
I want, I want it, I want it all
I want /3x
It all so sweet
You got the moves /3x
Bang, bang, baby
You got the moves /2x

I habe never felt like this
Dancing to you all night long

You're a new song
You're a new song baby
You're a new song to me
/2x

Dancing to you all night long /3x

You're a new song
You're a new song baby
You're a new song to me
/4x
