

# Warrant, In The End

I Saw Red

Warrant

Oo it must be magic

How inside your eyes I see my destiny Every time we kiss

I feel you breathe your love to deep inside of me

And if the moon and stars should fall

They'd be east to replace

I would lift you up to heaven

And you would take their place

Then I saw red

When I opened up the door

I saw red

Heart just spilled on to the floor

And I didn't need to see his face

I saw yours

I saw red then I closed the door

I don't think I'm gonna love you anymore

Everyday I wake up

I thank God that you are

Still a part of me

Opened up the door to which

So many people never find the way

And if the sun

Should ever fail to send its light

We will burn a thousand candles

And make everything alright

Then I saw red

When I opened up the door

I saw red

Heart just spilled onto the floor

And I didn't need to see his face

I saw yours

I saw red then I closed the door

I don't think I'm gonna love you anymore

I've been hurt

And I've been blind

I'm not sure that I'll be fine

I never thought it would

End this way

Oo it must be magic
