

# Warren Barfield, Love Is Looking For You

Someone's calling you name  
But you can't hear a sound  
Cause you've allowed the noise to drown it out  
Everywhere you go  
You're never there  
The thought of being afraid  
Has you so scared

## CHORUS:

And all this time you've been looking for love  
Love has been looking for you  
Being still is your next move  
Close your eyes and see the truth  
You know that love is looking  
Is looking for you  
Yeah  
Looking for you

There's only one way  
The path there is different For each of us  
I don't know what you need  
But you need Jesus, yeah  
Will you ever learn  
It doesn't matter what you know  
The less there is of you  
The more room there is to grow

## BRIDGE:

Can't you hear Him  
Can't you hear Him calling out to you  
Can't you feel Him  
Can't you feel Him looking for you
