

Warren Zevon, Dirty Life And Times

(Warren Zevon)

Some days I feel like my shadow's casting me
Some days the sun don't shine
Sometimes I wonder what tomorrow's gonna bring
When I think about my dirty life and times

One day I came to a fork in the road
Folks, I just couldn't go where I was told
Now they'll hunt me down and hang me for my crimes
If I tell about my dirty life and times

I had someone 'til she went out for a stroll
Should have run after her
It's hard to find a girl with a heart of gold
When you're living in a four-letter world

And if she won't love me then her sister will
She's from Say-one-thing-and-mean-another's-ville
And she can't seem to make up her mind
When she hears about my dirty life and times

Some days I feel like my shadow's casting me
Some days the sun don't shine
Sometimes I wonder why I'm still running free
All up and down the line

Gets a little lonely, folks, you know what I mean
I'm looking for a woman with low self-esteem
To lay me out and ease my worried mind
While I'm winding down my dirty life and times

Who'll lay me out and ease my worried mind
While I'm winding down my dirty life and times
