

Warren Zevon, El Amor De Mi Vida

(Warren Zevon & Jorge Calderon)

I close my eyes, you reappear
I always carry you inside, in here
I fall asleep, you come to me
And once again our love is real

How could I have let you get away
Why couldn't I have found a way to say

"Tu eres el amor de mi vida [You are the love of my life]
Si solo te pudiera encontrar [If only I could find you]
Con todo el corazon te diria [With all my heart I would tell you]
Tu eres mi amor de verdad" [you are my true love]

I look outside, I know you're there
And you've found a brand new life somewhere
I only wish it had been us
But I'm happy for your happiness

How could I ever let you go
How will I ever let you know

"Tu eres el amor de mi vida [You are the love of my life]
Si solo te pudiera encontrar [If only I could find you]
Con todo el corazon te diria [With all my heart I would tell you]
Tu eres mi amor de verdad" [you are my true love]

"Tu eres mi amor, [You are my love]
tu eres mi amor, [You are my love]
tu eres mi amor de verdad" [You are my true love]

"Tu eres mi amor, [You are my love]
tu eres mi amor, [You are my love]
tu eres mi amor de verdad" [You are my true love]
