

Warren Zevon, Heartache Spoken Here

(Warren Zevon)

When I was young
The sky was filled with stars
I watched them burn out one by one
I've had my share
Of disappointing love affairs
And I'm no stranger to disillusionment
Little darlin'
If you need a helping hand
If you need someone
You can count on me
And I will understand

Heartache spoken here
I know a thing or two about heartbreak and tears
So come on down, we'll talk about it
Heartache spoken here
Heartache spoken here
I know a thing or two about heartbreak and tears
So come on down we'll talk about it
Heartache spoken here

A house of cards
A castle made of sand
Don't take much to blow away
Rows and rows
Of broken hearts and broken homes
So much sadness, you see it every day
Little darlin' If you need a helping hand
If you need someone
You can count on me
And I will understand

Heartache spoken here
I know a thing or two about heartbreak and tears
So come on down, we'll talk about it
Heartache spoken here
Well, heartache spoken here
I know a thing or two about heartbreak and tears
So come on down we'll talk about it
Heartache spoken here

I know it hurts so
When the one you love don't need you
I know the sorrow
That a reckless heart can lead to

Heartache spoken here
I know a thing or two about heartbreak and tears
So come on down, we'll talk about it
Heartache spoken here
Heartache spoken here
I know a thing or two about heartbreak and tears
So come on down we'll talk about it
Heartache spoken here
