

# Warren Zevon, Quite Ugly One Morning

(Warren Zevon)

Don't the sky look funny  
Don't it look kinda chewed-on like  
Don't you feel like running  
Don't you feel like running from the dawn's early light

Quite ugly one morning  
We all said goodnight  
It came without a warning  
Just a flash of light

Don't you feel kind of funny  
Don't you feel kind of funny inside  
When you feel like laughing  
And everybody tells you you ought to be crying

Quite ugly one morning  
We all said goodnight  
It came without a warning  
But it was quite all right  
Quite ugly one morning  
We all said goodnight  
It came without a warning  
But it was quite all right

From dawn to sundown  
It's a long, long way  
And it's a hollow triumph  
When you make it to the bottom of another day  
There's a fever rising  
When the evening comes  
And when the battle's over  
There'll be nothing left but the sound of drums

Quite ugly one morning  
We all said goodnight  
It came without a warning  
Just a flash of light

Quite ugly one morning  
We all said goodnight  
It came without a warning  
But it was quite all right
