## Warren Zevon, She Quit Me

(Warren Zevon)

[Featured in the film "Midnight Cowboy"]

It wasn't the queen of diamonds that I drew first Instead I got the ace of spades reversed She quit me She up and quit me, man-yeah She quit me She up and she quit me

It wasn't because I didn't treat her right-no When dawn had drawn the curtains of the night She quit me She up and she quit me, man She quit me She up and quit me-yeah

It wasn't because I didn't treat her kind I wonder who put leaving on her mind She quit me She up and she quit me, man She quit me She up and quit me-yeah

It wasn't because I couldn't satisfy-no Now where'd she get the nerve to say goodbye Oh, she quit me She up and quit me, man-oh, yeah She quit me She up and quit me-yeah
