

6 years i've been in the desert
and every night, i dream of the sea
they say home is where you find it
will this place ever satisfy me?
for i come from the salt water people
we've always lived by the sea
now i'm out here west of alice springs
with a wife and a family

in the evnin the dry wind blows
from the hills
and across the plain
i close my eyes and i'm standing
in a boat
on the sea again
and i'm holding a long tyello spear
and i feel unclothed now
to where it must be
my island home, is waitin for me

and my island home
my island home
my island home
is waitin for me

my island home
my island home
my island home
is waitin for me

[illegible]

my island home
my island home
my island home
my island home
my island home
my island home
