

# WASP, Tormentor

I'm a liar and I'm a cheat  
I have no morals and I'm a thief  
Pillage and plunder, curse those who enter  
I am a killer and tormentor

Tormentor (tormentor)  
Tormentor (tormentor)  
Tormentor (tormentor)  
Tormentor (tormentor)

I'm a sinner, I kiss the breast  
I am a sadist that whips the flesh  
I'll take the women, curse those who enter  
I am a killer and tormentor

Tormentor (tormentor)  
Tormentor (tormentor)  
Tormentor (tormentor)  
Tormentor (tormentor)

I am the lord of liars  
And I command the force of Fire
