

# Watcha, New Brutal Funk

(Intro:)

Brothers and sisters, life is a gift  
And as a gift of heaven  
How can someone or any kind of profanes  
Reappraise god's creations?  
Bow to the power of lord and hear my words of wisdom  
Because at the very beginning god's created:  
Adam and Eve...

Well...what about Darwin?

I don't wanna listen!  
I don't want to talk about it!  
I don't wanna listen!  
Darwin was a liar!  
I don't wanna listen!  
I don't want to talk about it!  
I don't wanna listen!  
Darwin was a liar  
I don't wanna listen!  
I don't want to talk about it!  
I don't wanna listen!  
Darwin was a liar!

Hi, dear what a real pleasure to talk with you at last  
What on hell are you talking about I'm astounded  
You make my blood run cold  
Why do you refuse to face up?  
The fact when it's in front of you?  
It's so drap! It's so sad!  
There's a gab what a bullshit!  
Stop to arse around!

(Pre-Refrain:)

Tell me where do we go?  
A leap backward?  
I don't know  
Tell me where do we go?  
A leap backward?  
I don't know

(Refrain:)

Give it up (x2)  
Don't wanna hear you talk! Make my day now!  
Give it up (x2)  
Make my day now!  
Give it up (x2)  
Don't wanna hear you talk! Make my day now!  
Give it up (x2)  
Make my day now!  
Give it up (x2)  
Don't wanna hear you talk! Make my day now!  
Give it up (x2)  
Make my day now!  
Give it up (x2)  
Don't wanna hear you talk! Make my day now!  
Give it up (x2)  
Make my day now!  
Make my day now!

Always in a bygone age, immutable and no more range!  
All the words that you preach and proclaim are so slanderous for humanity  
Maybe I'm wrong I don't know  
But one thing is sure: gets a life!

If you think that the world is the same  
I can say that: you're completely wrong!

(Pre-Refrain)

(Pont 1:)  
Give me a go-by

(Pont 2:)  
Oh lord I abide by what I said  
No compromises, no rest, no peace for my enemies:  
Profanes, this drives me insane, insane!

(Refrain)

(Pont 3:)  
What is the straight law? (x18)  
C'mon! Make my day now!
