

Waterdeep, Been A Long Time

It's been a long time
Haven't spoken for a while
I been trying to do it on my own again
And I been falling on my face again
And it's been a long time
It's been a long, long time

It's been a long time
since Galilee and the twelve
Since the time you died up there on the tree
Since the time you set every one of us free
It's been a long time
It's been a long time

CHORUS:

It's been a long time
It's been a long time
But I'm coming home now
I'm coming through to You
But I'm coming home now
Oh, Lord, it's true

It's been a long time
Since I felt really clean
Since I felt completely relieved
Since I felt like I really believed
Lord, it's been a long, long time
It's been a long time

It's been a long time
Since I've listened to you
Since I've walked a little way in your Light
Since I've heard your voice and not put up a fight
It's been a long time
It's been a long, long time
