

Watermark, Arise And Be Comforted

Arise and be comforted
For the Lord, He is good to the weary
And even the young heart can tire and fall
But He knows them all
For the Lord, He will renew their strength
And they will soar on wings as eagles
And they will run and never grow weary
They will walk and not grow faint
For the Lord, He is good
Lift your eyes to the heavens
For the creator is living in you
Come surrender as you are

And know that you'll never stray too far
Let His power within you heal your heart
Lift your eyes to spacious skies
Let Him chart your way to flight
Spread your wings and fly
For the Lord, He is good
(repeat all)
