

# Waylon Jennings, Don't Think Twice, It's All Right

Well it ain't no use to sit and wonder why, babe  
If you don't know by now  
And it ain't no use to sit and wonder why, babe  
It will never do anyhow  
When your rooster's a crowing at the break of dawn  
Look out your window and I'll be gone  
You're the reason why I'm traveling on  
But don't think twice, it's all right

An it ain't no use in turnin' on your light, baby  
The light I never knowed  
An it ain't no use in turnin' on your light, baby  
I'm on the dark side of the road  
But I wish there was somethin' I could do or say  
To try and make you change your mind and stay  
We never did too much talking anyway  
But don't think twice, it's all right

Well it ain't no use in calling out my name, gal  
Like you never done before  
It ain't no use in calling out my name, gal  
I can't hear you any more  
I'm a-thinking and a-wondering, walking down the road  
I once loved a woman, a child I'm told  
I give her my heart but she wanted my soul  
But don't think twice, it's all right

So long honey baby  
Where I'm bound, I cannot tell  
But goodbye's too good a word, gal  
So I'll just kinda say "Fare thee well"  
Now I'm not saying that you treated me unkind  
You could have done a lot better but I don't mind  
You just kinda wasted my precious time  
But don't think twice, it's all right
