

# Waylon Jennings, Good Ole Boys

Just the good ole boys  
Never meanin' no harm.  
Beats all you ever saw,  
Been in touble with the law  
Since the day the was born.

Straightenin' the curves,  
Flattenin' the hills.  
Some day the mountain might get 'em  
But the law never will.

(Chorus)(x2)  
Makin' their way  
The only way they know how.  
That's just a little bit more  
Than the law will allow.

I'm a good ole boy  
You know my momma loves me.  
But she don't understand  
They keep showin' my hands  
But not my face on TV.
