

Waylon Jennings, The Wurlitzer Prize

I'm not here to forget you
I'm here to recall the things we used to say and do
I don't wanna get over you
I don't wanna get over you
I haunt the same places we used to go
Alone at a table for two
I don't wanna get over you
I don't wanna get over you
They oughtta give me the Wurlitzer Prize
For all the silver I let slide down the slot
Playin' those songs sung blue
That help me remember you
I don't wanna get over you
A fresh roll o' quarters, same old songs
Missin' you through and through
I don't wanna get over you
I don't wanna get over you
They oughtta give me the Wurlitzer Prize
For all the silver I let slide down the slot
Playin' those songs sung blue
They help me remember you
'Cause I don't wanna get over you
I don't wanna get over you
I don't wanna get over you
