

Waylon Jennings, This Train (Russell's Song)

Verse 1:

Gotta catch a new train... i gotta go
This train is getting just a little too old

Gotta find a new way... to live my life
Any other way has got to be alright

Verse 2:

Shame on you girl... same ol' you
Same ol' trouble you're always
Puttin' me through

Same ol' me girl... body and soul
This train's a runnin' on out of control

Chorus:

I ain't gonna waste my time here...
Messin' with you
I ain't gonna wind up anywhere near
Where i want to

Chorus.

Verse 3:

Gotta find a new way... to live my life
Any other way has gotta be alright

Gotta catch a new train... i gotta go
This train is runnin' on out of control
This train is movin' just a little too slow
