Got somebody she's a beauty  
Very special really and truly  
Take good care of me like it's her duty  
Want you right by my side night and day

No lettting go No holding back  
Because you are my lady  
When I'm with you its all a that  
Girl I, am so glad we've made it  
No letting go No holding back  
No holding Back no  
When I'm with you it's all a that  
All a that

[Verse 2]

They say good things must come to an end  
But I'm optimistic about being your friend  
Though I made you cry by my doings  
With Keisha and Anisha but that  
Was back then

No lettting go No holding back  
Because you are my lady  
When I'm with you its all a that

After all that we've been thru  
Really appreciate you loving me
