

# We Are Scientists, Lethal Enforcer

You're never gonna understand what you're seeing  
But later you'll pretend you can and you'll mean it  
You might think it's all in your head but you're not certain anymore  
You might think it's all in your head but you're not certain anymore

I wouldn't put much talk in that 'cause the fact is  
It doesn't matter what you ask, it's who you're asking  
Well I'd say go throw it away if it's not working anymore  
Well I'd say go throw it away if it's not working anymore

I promise this is not a test, it just I want you to be sure  
It all comes back to common sense, I guess that's what you're looking for  
I'll have to ask you to speak up so we're sure that  
We're all perfectly clear on what we're ignoring  
Well I'd say go throw it away if it's not working anymore  
Well I'd say go throw it away if it's not working anymore

I promise this is not a test, it's just I want you to be sure  
It all comes back to common sense, I guess that's what you're looking for  
I promise this is not a test, it's just I want you to be sure  
It all comes back to common sense, I guess that's what you're looking for

Well you've been taken and it's gonna hurt  
Love's a classic 'cause it always works  
This is a classic bluff because it always works on you

I promise this is not a test  
A test  
I promise this is not a test

I promise this is not a test, it's just I want you to be sure  
It all comes back to common sense, I guess that's what you're looking for  
I promise this is not a test, it's just I want you to be sure  
It all comes back to common sense, I guess that's what you're looking for
