

# We Are Scientists, The Bomb Inside The Bomb

Blindin',  
Flash of yellow,  
Lying slightly  
Below the skin.  
Windin',  
Like a halo,  
In a spiral around your head.  
It's like a bomb inside the bomb.  
It's like a bomb inside the bomb.  
It's like a bomb inside the bomb.  
Layered,  
Like an onion,  
Always peeling  
Back again.  
Tiered,  
Russian doll skin,  
It's fuckin' deadly  
Is what it is.  
It's like a bomb inside the bomb.  
It's like a bomb inside the bomb.  
It's like a bomb inside the bomb.  
It's like a bomb inside the bomb.  
It's like a bomb inside the bomb.  
It's like a bomb inside the bomb.  
It's like a bomb inside the bomb.  
It's like a bomb inside the bomb.  
It's like a bomb inside the bomb
