

# We Shot The Moon, Julie

Julie come back to me  
Julie come back to me  
Because, I could be  
I could be, I could be  
I could be your dream.

Caught in the pouring rain  
A smile in your picture frame  
Because I could be  
I could be, I could be  
I could be...

I'm not gonna lie when you saw me that night  
And ask me if I'd like to dance.  
I could not believe you would settle for me  
And now this is out of my hands.

So give me a chance.

Julie believe in me  
Julie believe in me  
Because I could be  
I could be, I could be  
I could be...

I'm not gonna lie when you saw me that night  
And ask me if I'd like to dance.  
I could not believe you would settle for me  
And now this is out of my hands.

So give me a chance
