

We The Kings, Sad Song

You and I,
We're like fireworks and symphonies exploding in the sky
With you, I'm alive, like all the missing pieces of my heart
Are finally collide

So stop time right here in the moonlight
Cause I don't ever wanna close my eyes

Without you I feel broke
Like I'm half of a whole
Without you
I've got no hand to hold.
Without you I feel torn
Like a sail in the storm
Without you
I'm just a sad song

With you I fall.
It's like I'm leaving all my past in silhouettes up on the wall.
With you I'm a beautiful mess.
It's like we're standing hand to hand with all our fears up on the edge.

So stop time right here in the moonlight
Cause I don't ever wanna close my eyes

Without you I feel broke
Like I'm half of a whole
Without you
I've got no hand to hold.
Without you I feel torn
Like a sail in the storm
Without you
I'm just a sad song

You're the perfect melody
The only harmony I wanna hear
You're my favorite part of me
With you standing next to me
I've got nothing to fear

Without you I feel broke
Like I'm half of a whole
Without you
I've got no hand to hold.
Without you I feel torn
Like a sail in the storm
Without you
I'm just a sad song

Without you I feel broke
Like I'm half of a whole
Without you
I've got no hand to hold.
Without you I feel torn
Like a sail in the storm
Without you
I'm just a sad song
