

# We The Kings, Sad Song

You and I,  
We're like fireworks and symphonies exploding in the sky  
With you, I'm alive, like all the missing pieces of my heart  
Are finally collide

So stop time right here in the moonlight  
Cause I don't ever wanna close my eyes

Without you I feel broke  
Like I'm half of a whole  
Without you  
I've got no hand to hold.  
Without you I feel torn  
Like a sail in the storm  
Without you  
I'm just a sad song

With you I fall.  
It's like I'm leaving all my past in silhouettes up on the wall.  
With you I'm a beautiful mess.  
It's like we're standing hand to hand with all our fears up on the edge.

So stop time right here in the moonlight  
Cause I don't ever wanna close my eyes

Without you I feel broke  
Like I'm half of a whole  
Without you  
I've got no hand to hold.  
Without you I feel torn  
Like a sail in the storm  
Without you  
I'm just a sad song

You're the perfect melody  
The only harmony I wanna hear  
You're my favorite part of me  
With you standing next to me  
I've got nothing to fear

Without you I feel broke  
Like I'm half of a whole  
Without you  
I've got no hand to hold.  
Without you I feel torn  
Like a sail in the storm  
Without you  
I'm just a sad song

Without you I feel broke  
Like I'm half of a whole  
Without you  
I've got no hand to hold.  
Without you I feel torn  
Like a sail in the storm  
Without you  
I'm just a sad song
