We The Kings, Secret Valentine

Soft kiss and wine what a pretty friend of mine we're finally intertwined nervous and shy for the moment we will come alive tonight

secret valentine

We'll write a song that turns out the lights when both boy and girl start suddenly shaking inside don't waste your time speed up your breathing just close your eyes we'll hope it's not for nothing at all

lay down be still don't worry talk they will i'll be loving you until morning's first light breaks tomorrow I'll take care of you tonight

Secret valentine

We'll write a song that turns out the lights when both boy and girl start suddenly shaking inside don't waste your time speed up your breathing just close your eyes we'll hope it's not for nothing at all

When guilt fills your head brush off rise up from the dead this is the moment that we will come alive brace yourself for love sweet love, secret love.

We'll write a song that turns out the lights when both boy and girl start suddenly shaking inside don't waste your time speed up your breathing just close your eyes we'll hope it's not for nothing at all

We'll write a song that turns out the lights when both boy and girl start suddenly shaking inside don't waste your time speed up your breathing just close your eyes we'll hope it's not for nothing at all nothing at all
